Jacket and tie — At the Board of Directors Meeting on Sunday May 14, PLCAC Director's photos will be taken.

Costume — "Victorian Daze" Caterpillar Theme Night As we hold our 2023 Annual Convention in Victoria, it is only fitting that our theme night embraces the Victorian era that the city is noted for and the Queen whose namesake the city received. "Victorian Daze" will be this year's theme party – bringing us all together to celebrate the Victorian ways!

You only have to look at the history of that era to find yourself immersed in character. Picture yourself during that time where you might have been a fur trader, a ship's captain, a miner, a statesman, a butler, a constable, a carriage operator or a debutante at an elegant ball, just to name a few.

Or perhaps some of the world's most famous "Victorians" might have stopped to join our special event, like Alexander Graham Bell, Charles Darwin, John Cadbury, Charles Dickens, Robert Louis Stevenson or the Queen herself.

From trappers to top hat and tails, everyone comes in costume ready to celebrate. Be prepared to see a variety characters that will surely put you in a "Victorian Daze"!

The options are countless. Everyone comes in costume prepared to party!

The PLCAC AGM and Convention app will be available for download from iTunes or Google Play after convention registration closes.

On the app you will find complete on-the-go information for all events, meetings and activities for the PLCAC convention.
